1. Budget

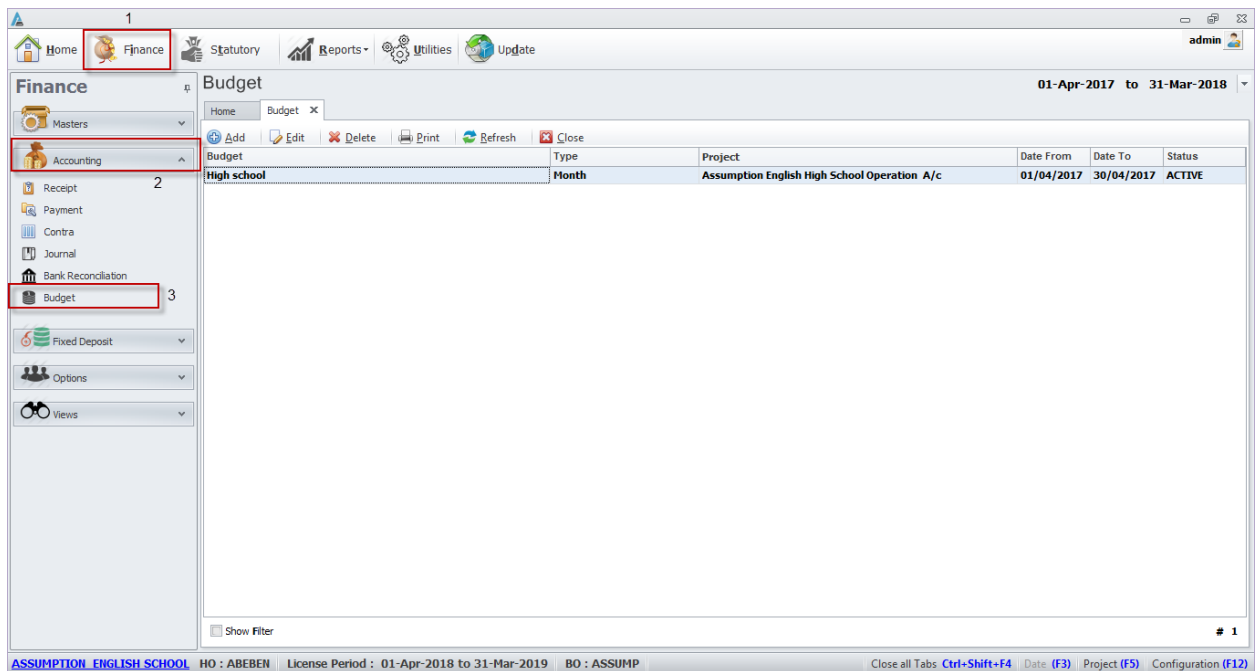

Creating Budget is common at organizations and companies. It is estimation of revenue and expenses over a specific period of time. It is compiled and reevaluated on a period basis. Acme.erp facilitates you to make budget based on the categories such as: Financial Year, Calendar Year, Budget Period or you can also make budget for monthly wise.

This application helps Head Office to track each ledger transactions of branch office. Head Office can approve the budget for the current year based on the budget spent during the previous year.

To create Budget:

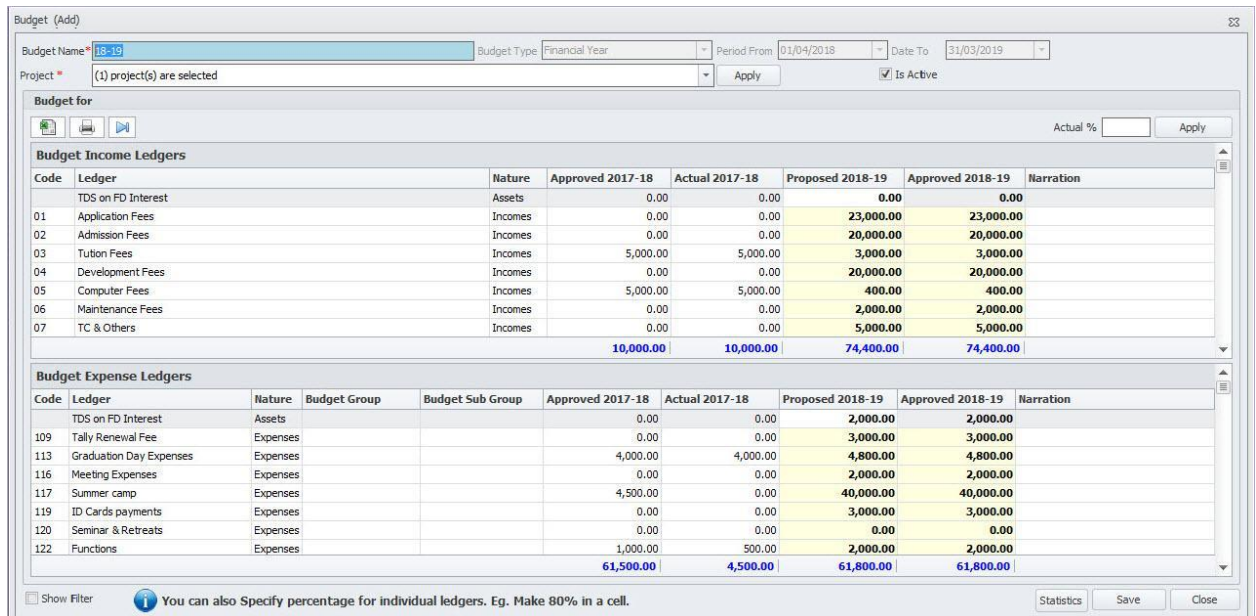

1. Click **Finance > Accounting > Budget**.

The *Budget* window is displayed.

2. Click  **Add** to create budget.

The *Budget Add* window is displayed.

Show Filter You can also Specify percentage for individual ledgers. Eg. Make 80% in a cell. Statistics Save Close

3. Type **Budget Name** in the box.
4. Select **Budget Type** as **Finance Year** or **Budget Period** or **Calendar Year**. (Budget Period)
Based on the budget type selected, **Date From** and **Date To** are automated.

- If Budget type is selected as Finance year,
Ex: Period From and Date To – 01/04/2018 to 31/03/2019
- If Budget type is selected as Budget Period
It is your choice to define your own period such as (3months , 4 months)
- If Budget type is selected as Calendar Year,
Ex: Date From and Date To – 01/01/2018 – 31/12/2018

5. Select **Project** from the list.

6. Click .

The ledgers are listed for the selected project if already mapped.

- If ledgers are not listed, map the ledgers for a project in **Finance>Options>Map Accounts**.

7. Click ☒ **Show Filter** at the right bottom of the page.

The row is enabled to filter the ledgers.

8. Under **Ledger** column, type ledgers to filter ledgers.

The ledgers are loaded with the details based on the filter.

9. This screen displays following details for each Ledger:

- Approved 2017-2018** – The budget amount approved by the Head office for previous year.
- Actual 2017–2018** – The amount which is actually spent during the previous financial year. We can track the actual amount spent by the branch office, whether the amount is spent more/less than the approved amount)
- Proposed Amount 2018–2019** – The Amount that you are going to propose for the current previous year.
- Approved Amount 2018–2019** – The amount that is approved by the Head Office for the current previous year.

10. You can also propose the amount by entering the percentage of Actual amount of the previous year as shown in the screen.
