

1. Introduction

1.1. About ACME.ERP

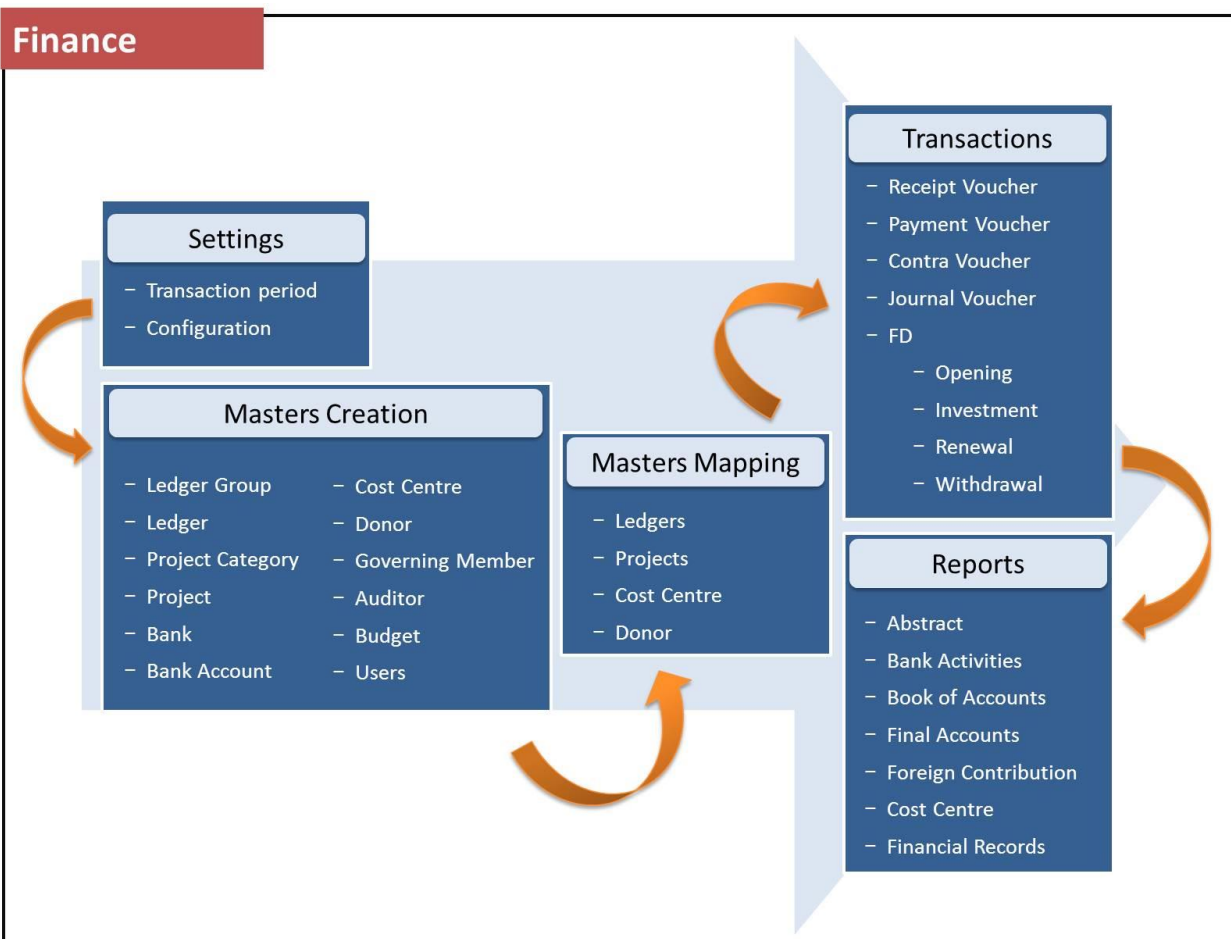

ACME.ERP is an Enterprise Resource Planning solution for religious and non-profit organizations (NPO). It is envisaged as two packages for Head office and Branch office. Head office has the control over the branch offices to enforce them to follow certain policies. So the head office admin creates the masters like legal entities, project categories, projects, ledger groups, ledgers, purposes, etc; map ledgers to project category; and map projects to branches. These masters can be downloaded by the branch offices from the head office on demand.

1.2. About this Manual

This manual is being prepared to train the ACME.ERP users in **Finance** module. The trainees are advised to go through this manual as it contains sample data to work with and generate accurate reports related to Finance.

2. Road Map

The road map will give you the clear picture of how to get started working with Finance module of ACME.ERP.

3. Settings

3.1. Transaction Period

Transaction period is the time span during which certain financial events took place in the organization. There can be only one active transaction period. The entries cannot be made for the inactive transaction periods.

Exercise

Create Transaction Periods with the following details:

S.No	Year From	Year To	Status
1	01-04-2014	31-03-2015	Active
2	01-04-2015	31-03-2016	Inactive
3	01-04-2016	31-03-2017	Inactive

3.2. Configuration

It is to define the global settings like Country, Currency Symbol, Digit Grouping and Separator, etc., and UI settings like Language, Date Format, Themes, etc.

Exercise

Change the **Global Settings** as given below.

Transaction	
High Natured Amt	# (for future use)
Depreciation Fence	# (for future use)
Currency	
Country	India
Symbol	₹
Currency Position	Before
Negative sign	()
Digit Grouping	12,34,56,789
Grouping separator	,
Decimal Places	2
Decimal Separator	.
Enable Voucher Print After Save	☐
Enable Tax Deducted at Source (TDS)	☒
Enable Trans Mode	☐

Change the **UI Settings** as given below.

UI Language	
Language	English United States
Date Format	
Format	dd/MM/yyyy
Separator	/
Transaction	
Trans Mode	By/To
Entry Method	Multi
Show Problem Selection Window	☒
Close Transaction after Edit	☒
Themes	Office 2010 Silver

4. Masters Creation

4.1. Ledger Group

All ledgers are grouped together with code. Each ledger group contains ledger subgroups and subgroups can have maximum four levels.

Exercise

Create the following ledger subgroups:

Under the Group	Code	Name
Direct expenses	SA	Salary
Direct Expenses	FC	Fee Collection

4.2. Ledger

Ledgers are account heads for the project. Each ledger is mapped to one or more projects for entering transactions. Only mapped ledgers are listed while entering transactions.

Exercise

Create the following ledgers:

Under the Group	Code	Ledger Type	Name	Include Cost Centre for this Ledger	Set this as Bank Interest Ledger
Direct income	201	General	LOCAL DONATIONS		
Direct income	202	General	FOREIGN CONTRIBUTIONS		
Direct income	203	General	CONTRIBUTIONS FROM THE PROVINCE		
Direct income	235	General	BANK INTEREST		☒
Current Liabilities	273	General	LOAN / ADVANCE TAKEN		
Fixed Assets	395	General	PURCHASE OF FURNITURE		

4.3. Project Category

Project category is created to group projects. Each project created falls under a category like schools, hospitals, youth centres, etc. is called Project Category.

Exercise

Create the following project categories:

- School
- College
- Novitiate
- House

4.4. Project

Projects are like companies as referred in other computerized accounting solutions.

Exercise

Create the following projects:

Code	Project Category	Project	Started On	Division
PRO01	House	Don Bosco House	01/04/2014	Local
PRO02	College	Don Bosco College	01/04/2014	Local
PRO03	School	Don Bosco School	01/04/2014	Local
PRO04	Novitiate	Don Bosco Novitiate	01/04/2014	Local

4.5. Bank

Bank is the financial institution where bank accounts are maintained. Each branch is considered as a bank in ACME.ERP. Example:Avadi-HDFC, Egmore-South Indian Bank

Exercise

Create the following banks:

Code	Bank Name	Branch	Address
SB102	Axis Bank	Avadi	M.t.h. Road Chennai Tiruvallur Tamil Nadu
SB101	South Indian Bank	Egmore	26, Haddows Road Nungambakkam Chennai 600006, Tamil Nadu

4.6. Bank Account

The accounts maintained and managed by an individual or an organisation in a bank is called bank account.

Exercise

Create the following Bank Accounts:

Branch	Account Code	Account Number	Account Holder Name	Date Opened
Egmore-South Indian Bank	301	33863745419	Linton	01/03/2011
Avadi-Indian Bank	365	6143345916	Samuel	01/04/2010

4.7. Cost centre

Cost Centre is any unit in an organization to which cost or expenses are allocated or pinpointed. A unit may be collective or even an individual depending on the structure of the organization.

Exercise

Create the following Cost Centres:

Code	Cost Centre
CT045	Vehicle Expense
UT001	Dominic
CT045	Michael

4.8. Donor

Donors are of two types: individual and institutional. Individual donors are the ones who donate to the organisation individually and institutional donors are the ones who donate from an organisation or through an organisation.

Exercise

Enter the following donor details:

Name	Type	Country
Andrew	Individual	Australia
Mani	Individual	India
Charles	Individual	India
Nathan	Individual	India

4.9. Governing Members

The board members of an organization are called as Governing Members in ACME.ERP.

Exercise

Enter the following governing members' details:

Name	Nationality	Country
Isaac	Indian	India
Dominic	Indian	India

4.10. Auditor

An auditor can be either an independent auditor unaffiliated with the organisation being audited or a captive auditor, and some are elected public officials. Auditors ensure that organisations maintain accurate and honest financial records, and statements.

Exercise

Create the following auditor details:

Name	Country
Godwin Edberg	India
Edward Dominic	India
Martin	India

4.11. Budget

Budget in AcME.ERP is of two types: Budget Year and Budget period. Budget Year is making budget for the whole transaction period; and Budget period is for particular months in a transaction period. There can be only one active budget for a project.

5. Account Mapping

Creating these masters is a onetime activity. Account mapping is a feature to map the ledgers, cost centre, and donor to a project. This reduces the effort and time to create ledgers, cost centres and donors for each project.

5.1. Ledgers Mapping

The ledgers are mapped to the project(s) to make transactions.

Exercise

Map the following ledgers from the available ledgers to the project:

Project	Code	Ledger
Bosco Soft Technologies	203	CONTRIBUTIONS FROM THE PROVINCE - Direct Incomes
Bosco Soft Technologies	201	Local Donations - Direct Incomes
Bosco Soft Technologies	301	33863745419 - Bank Accounts
Bosco Soft Technologies	235	BANK INTEREST - Direct Incomes
Bosco Soft Technologies	304	LAUNDRY, TOILET & CLEANING - Direct Expenses
Bosco Soft Technologies	271	TDS Deducted / Remitted - Current Liabilities
Bosco Soft Technologies	202	FOREIGN CONTRIBUTIONS - Direct Incomes
Bosco Soft Technologies	302	FOOD - Direct Expenses
Bosco Soft Technologies	321	DOMESTIC STAFF SALARY & WAGES - Direct Expenses
Bosco Soft Technologies	305	STATIONERY, NEWSPAPER & PRINTING - Direct Expenses
Bosco Soft Technologies	312	VEHICLE FUEL & MAINTENANCE - Direct Expenses
Bosco Soft Technologies	335	Bank Charges - Direct Expenses
Bosco Soft Technologies	304	LAUNDRY, TOILET & CLEANING - Direct Expenses
Bosco Soft Technologies	309	TRAVEL & CONVEYANCE - Direct Expenses
Bosco Soft Technologies	313	GENERAL REPAIRS & MAINTENANCE - Direct Expenses
Bosco Soft Technologies	271	TDS Deducted / Remitted - Current Liabilities
Bosco Soft Technologies	394	NEW CONSTRUCTIONS - Fixed Assets
Bosco Soft Technologies	4100	Cash - Cash-in-hand

5.2. Project Mapping

The project(s) are mapped to the ledgers to make transactions.

5.3. Cost Centre Mapping

The cost centres are mapped to the project(s) to define the cost specifications during transactions entries.

5.4. Donor Mapping

The donors are mapped to the project(s) to make use of the donors' details during transaction entries.

6. Transactions

6.1. Receipt Voucher

The inflow of cash to the organization through different ways is maintained under receipt voucher.

Exercise

Create the following transaction entries:

Date	Donor	Recipient Type	Purpose	Currency	Amount	Exchange amount	Actual amount	Ledger	Amount	Cash/Bank	Amount	Narration
30.04.2014	-	-	-	-	-	-	-	BANK INTEREST(235)	250.00	Bank	250	half yearly Interest credited to bank account
15/04/2014	Mr. Mani	First		₹	3000	1	3000	LOCAL DONATIONS(201)	3000	Cash	3000	Donation received from Mr.Mani

6.2. Payment Voucher

Any settlement of owe or claim, primarily money paid to fulfill the obligations are maintained under payment voucher.

Exercise

Date	Ledger	Amount	Cash/Bank	Amount	Ref.No (DD/Cheque)	Materialized On	Amount	Narration
03/04/2014	FOOD	1,200.00	Cash				1,200.00	Monthly payment to Madha Store for supply of milk in the month of March
03/04/2014	DOMESTIC STAFF SALARY & WAGES	15,000.00	Cash				15,000.00	Salary paid to house staff for March as per salary register
05/04/2014	STATIONERY, NEWSPAPER & PRINTING	1,500.00	Bank	1,500.00	54939	14/07/2014	1,500.00	Purchase of stationery for office use paid by cheque No.100202

6.3. Contra Voucher

The cash to bank and bank to cash transactions are maintained under contra voucher.

Exercise

Date	Ledger	Amount	Cash/Bank	Amount	Ref.No (DD/Cheque)	Materialized On	Amount	Narration
05/04/2014	Bank (305)	1,500.00	Bank	1,500.00	540393	05/04/2014	1,500.00	Purchase of stationery for office use paid by cheque No.100202
16/04/2014	Cash	3,000.00	Bank				3,000.00	Cash deposited in bank account

6.4. Journal Voucher

Journal entries act as a documentary evidence for invoices and receipts. They do not affect balances in anyway.

6.5. Fixed Deposit (FD)

6.5.1. FD Opening

FD opening is renewing and investing an FD that was already opened in previous Transaction Periods. The invested/created on date should be less than the current transaction period to open FD account.

Exercise

		FD Account Details			Opening				
Project	Ledger Name	Branch	FD A/c number	Account Holder	Invested /Created On	Receipt No	Amount	Interest Rate %	Date of Maturity
Bosco Soft	Fixed Deposit	Egmore-South Indian Bank	FD 100.201	Linton	15/05/2012		100000	9	15/05/2014
Bosco Soft	Fixed Deposit	Egmore-South Indian Bank	FD 100.202	Linton	15/05/2013		100000	9	15/05/2014
Bosco Soft	Fixed Deposit	Egmore-South Indian Bank	FD 101.205	Linton	10/06/2013		300000	9	10/06/2014

6.5.2. FD Investment

Investing amount for a project in the bank for a specified period of time, in active transaction period is called FD investment.

6.5.3. FD Renewal

FD Renewal is renewing the FD account that was created in the transaction periods available in the system.

6.5.4. FD Withdrawal

The active FDs are withdrawn from the bank where the FD Account is maintained.

7. Reports

7.1. Abstract Reports

This report gives general information on receipts and/ or payments of the selected project for the specified period. Select the project and other required settings from customize report window or click Customize button on the toolbar to do the above selection.

You can generate the following abstract reports:

- Monthly Abstract (Receipt)
- Monthly Abstract (Payment)
- Monthly Abstract (Receipt and Payments)
- Multi Abstract (Receipt)
- Multi Abstract (Payment)
- Multi Abstract (Receipt and Payments)

7.2. Bank Activities

The reports listed under Bank Activities are generated based on Bank Reconciliation Statement.

You can generate the following reports under Bank Activities:

- Cheque Cleared (Bank Cheque Cleared)
- Cheque Uncleared (Bank Cheque Uncleared)
- Cheque Realized (Bank Cheque Realized)
- Cheque Unrealized (Bank Cheque Unrealized)
- Bank Reconciliation Statement
- Bank Balance Statement
- Fixed Deposit Statement
- Fixed Deposit Register

7.3. Book of Accounts

- Cash Journal

- Bank Journal
- Cash and Bank Book
- Ledger
- Cash Daily Balance
- Bank Daily Balance

7.4. Final Accounts

- Trial Balance
- Receipts and Payments
- Income and Expenditure
- Balance Sheet

7.5. Foreign Contribution

- FC Purpose
- FC Purpose Donor Institutional
- FC Purpose Donor Individual
- FC Country
- Governing Members
- FC6

7.6. Cost Centre

- Abstract (Receipt)
- Abstract (Payment)
- Abstract (Receipt and Payments)
- Multi Abstract Receipt
- Multi Abstract Payments
- Multi Abstract Receipts and Payments
- Cash Journal
- Bank Journal
- Cash and Bank Book
- Receipts and Payments

7.7. Financial Records

- Payment Voucher
- Receipt Voucher
- Journal Voucher
- Cash/Bank Transactions
- Journal Transactions

7.8. Budget

- Budget Variance Report
- Budget Details
